METODOLOŠKA OBJAŠNENJA

NOTES OF METHODOLOGY

METODOLOŠKA OBJAŠNENJA

Cilj ovog istraživanja je dobiti međunarodno uporedive podatke o izdacima za formalno obrazovanje u Federaciji BiH, prema namjeni i nivou obrazovanja.

Istraživanjem se obuhvataju podaci za javne, privatne i međunarodne izdatke za obrazovne institucije u Federaciji BiH.

Javni izdaci su budžetski izdaci; uključuju izdatke nadležnih ministarstava obrazovanja u Federaciji BiH (na federalnom i kantonalnom nivou) i izdatke općina za obrazovanje.

Međunarodni izdaci uključuju međunarodna plaćanja (isplate iz inostranstva) direktno obrazovnim institucijama i transfere ministarstvima i općinama.

Privatni izdaci uključuju izdatke domaćinstava/kućanstava i izdatke drugih privatnih tijela za obrazovanje, koja su plaćena direktno obrazovnim institucijama.

Svi navedeni izdaci su prikazani po nivoima obrazovanja.

Izdaci za formalno obrazovanje su izračunati u skladu sa zajedničkom metodologijom tri međunarodne organizacije UNESCO, OECD i Eurostat (UOE metodologijom).

Izvori podataka i izvještajne jedinice

Izvori podataka za ovo istraživanje su računovodstvene evidencije, javnih i privatnih obrazovnih ustanova u Federaciji BiH, za 2014. godinu.

Izvori podataka za budžetske izdatke za obrazovanje su evidencije ministarstava koje finansiraju formalno obrazovanje (Federalno ministarstvo obrazovanja i nauke, i deset nadležnih kantonalnih ministarstava obrazovanja u Federaciji BiH).

Izvori podataka za privatne izdatke su računovodstveni godišnji izvještaji za 2014. godinu, svih privatnih obrazovnih institucija u Federaciji BiH (privatne predškolske ustanove, privatne osnovne škole, privatne srednje škole, centri za obrazovanje odraslih i privatni univerziteti).

Definicije i objašnjenja

Formalno obrazovanje je obrazovanje nakon čijeg završetka osoba stiče viši nivo obrazovanja.

Nivoi obrazovanja – izdaci za obrazovanje su klasifikovani prema osnovnim nivoima obrazovanja u Federaciji BiH, to su: predškolsko obrazovanje, osnovno, srednje i visoko obrazovanje.

Podaci koji se odnose na postojeće evidencije (budžetske evidencije, završni računi u knjigovodstvu) - osnova za razvrstavanje finansijskih podataka po nivoima obrazovanja je glavna djelatnost ili vrsta obrazovnog programa za koji su obrazovne institucije registrovane.

Javni izdaci za formalno obrazovanje uključuju sve budžetske izdatke za formalno obrazovanje omladine i odraslih na nivou države, i na lokalnom općinskom nivou. Uključeni su direktni javni izdaci za obrazovne institucije, kao i transferi i plaćanja domaćinstvima i ostalim privatnim licima.

METHODOLOGICAL EXPLANATIONS

The purpose of the survey is to obtain internationally comparable data on expenditure for formal education in Federation of B&H, by purpose of expenditure and level of education.

The survey covers public, private and international expenditure of educational institutions in Federation of BiH.

Public expenditure covers expenditure for education by the competent ministries for education in Federation of B&H (at federal and cantonal level) and expenditure by municipalities.

International expenditure covers international payments (i.e. payments from abroad) directly to educational institutions and transfers to the ministries and municipalities.

Private expenditures covers household expenditure and expenditure of other private entities for education, payed directly to educational institutions.

All this expenditures is broken down by levels of education.

Expenditure for formal education is calculated in accordance with the common methodology of three international organisations UNESCO, OECD and Eurostat (UOE methodology).

Data sources and reporting units

Sources of data for this statistical research were survey on annual accounts of public and private educational institutions in Federation of BiH.

Sources of data on public expenditure for education are records of ministries financing formal education (Federal Ministry of Education and Science and ten cantonal ministries of education in Federation of B&H).

Sources of data on private and international expenditure were survey on annual accounts for year 2014, of all educational institutions in Federation of BiH (private preschool institutions, private basic schools, private secondary schools, centres for adult education and private universities).

Definitions and explanations

Formal education is education upon the conclusion of which an individual acquires a higher level of education.

Levels of education – expenditure for education is classified by basic levels of education in Federation of BiH, i.e. preschool education, basic education, upper secondary and tertiary education.

Depending on the availability of data in the existing records (budgetary records, annual accounts), the basis for clasifying financial data by levels of education is the main activity or the type of educational program for which educational institutions are registered.

Total public expenditure for formal education covers all government expenditure for formal education of youth and adults at national and municipal level. Covered is public direct expenditure for educational institutions as well as transfers and payments to households and other private entities.

Javni izdaci za obrazovne ustanove u Federaciji BiH uključuju direktne vladine izdatke za:

- **obrazovne institucije** – obdaništa, osnovne škole, srednje škole, visokoobrazovne institucije, centre za obrazovanje odraslih u formalnom obrazovanju;
- **ne – obrazovne institucije** – Federalno ministarstvo obrazovanja i nauke, i ostalih deset nadležnih kantonalnih ministarstava iz oblasti obrazovanja u Federaciji BiH.

Direktni troškovi za javne institucije se sastoje iz izdataka na regionalnom nivou (ministarstva na nivou Federacije BiH i kantonalnom nivou) i izdataka na lokalnom nivou (općine).

Javni transferi domaćinstvima / kućanstvima i ostalim privatnim licima uključuju:

- **transferi i plaćanja domaćinstvima / kućanstvima** (stipendije, krediti studentima i ostali transferi od strane vlade i općina);
- **transferi drugim privatnim licima** (subvencije za prevoz učenika za obezbjeđenje jeftinijih prevoznih karti za učenike i studente, subvencije za profesionalnu literaturu i sl.).

Međunarodni izdaci uključuju izdatke za javne i privatne obrazovne institucije koji se pokrivaju iz sredstava međunarodnih programa i donacija iz inostranstva, u funkciji finansijske podrške obrazovnim institucijama.

Ukupni izdaci za obrazovne institucije uključuju sve javne, privatne i međunarodne izdatke obrazovnih institucija.

Public expenditure for educational institutions in Federation of B&H covers direct government expenditure for:

- **instructional educational institutions** – kindergartens, elementary schools, upper secondary schools, higher education institutions, adult education institutions referring to formal education;
- **non - instructional educational institutions** – the Federal Ministry of Education and Science and ten competent cantonal ministries of education in Federation of B&H.

Public direct expenditure for educational institutions covers expenditure at regional level (ministries at entity and cantonal level) and expenditure at local level (municipalities).

Public transfers to households and other private entities cover:

- **transfers and payments to households** (national scholarships, credits for students and other transfers by government and municipalities);
- **transfers to other private entities** (subsidies to transport enterprises for cheaper tickets for schoolchildren, pupils and students, subsidies for professional literature, etc).

International expenditure includes public and private expenditure that are covered by the funds of international programs and donations from abroad, with the purpose of financial support to educational institutions.

Total expenditure for educational institutions covers all public, international and private expenditure for educational institutions.
